

Restaurant Operational Guidelines

Things You Need to Know

Updated November 27, 2020 - Subject to Change

To Our Patrons,

Below are a few things you need to know coming to our facility during this time and the Covid-19 restrictions:

- **Patrons are required to wear masks/face coverings from the time they enter the restaurant until they are seated at their table, at which time masks/face coverings can be removed for eating & drinking. If you need to leave your table to use the washroom or to pay your bill, masks/face coverings must be worn.**
- **Patrons will be asked to provide their name and contact number to ensure potential future contact tracing is made easier.**

As it is recommended to limit movement within the restaurant:

- Patrons will be asked to remain at front of restaurant and wait to be seated by the server
- Arrows will be placed on the floor to mark traffic for entering and exiting
- Patrons will be asked to remain seated and refrain from moving around or visiting other tables during their stay in our establishment except for use of washroom facilities. ****Note – only one person allowed in the washroom at any one time**
- Payment will be taken at the table or at the counter behind the protective shield.
- Payment preference is with card (credit, debit). We will accept cash but are not keeping floats on hand to reduce the handling of cash for the safety of our staff, therefore we may not have correct change for your cash.

Our facility is at a capacity where tables/patrons are **9 feet (3 meters)** apart.

- Tables and chairs are set and **MUST NOT** be moved in the dining room or patio
- We will be limiting the maximum number of persons per table at **four (4)** as per public health requirements

Our servers will be doing their best to keep our patrons and other staff safe & healthy:

- Servers will be wearing masks
- Many items will be removed from the table to limit touching and having to sanitize (ex. salt & pepper shakers, table tent cards)
- Servers will be sanitizing each table after use and prior to new customers being seated. They will also be sanitizing high touch points in the restaurant and patio area

Additional things you can do to help

- Reservations are **highly recommended** to help us manage numbers and staffing
- Take out is available and recommended, you can still order online at www.harborgolfclub.com or by calling 306-854-2300.
- Please be patient with us as we all adjust to the new rules and regulations
